

Urbandale Middle School PTO Meeting

November 23, 2009

The meeting was called to order at 7:00 pm by Linda Wilson, PTO president.

Introductions of those in attendance were given.

Guest speaker LeAnn Auxier from the Urbandale Pool shared information about some new programs that are being implemented.

October minutes were approved.

Treasurer's report was approved.

Business Items:

- Scholastic Book fair during conferences netted total sales of \$4622.00 with the Media Center getting \$410.00 in books and \$1,100.00 in cash.
- Possible Schwan's fundraiser was discussed.
- Conference Meals were a huge success and very appreciated by the teachers.
- October 6th grade and 7th-8th grade parties went well. There was some discussion of a few areas of improvement. The next 7th-8th grade party date might need to be changed due to a conflict in scheduling.
- Giving Tree discussion with teachers-would like to see continue but might try to get better exposure so people are aware of that opportunity.

Principal Update:

- Significant Senior Day to be held Tuesday, November 24.
- Bids have been received for UMS Building Project. Hopefully they will be accepted soon and the building project can begin.

Meeting adjourned at 8:15 p.m.

Next PTO meeting January 4, 2010 at 7:00 p.m.

Respectfully submitted by Karyl Behrens, UMS PTO Co-Secretary
