## Spring Break Play Week March 16-20

11:00 AM - 12:00 PM  
Members \$2 per child  
Non-members \$5 per child  
Prices are per program

Spring Break Play Week is back for another year! The Brenton Arboretum has all sorts of nature-themed activities to make your stay-cation complete!

### Paper, Paint, & Plants

Monday  
March 16

We're starting the week out right with Paper, Paint, & Plants. Get crafty by nature and explore your wild side as we mash up art and the outdoors. We'll make several different art projects for you to take home using materials we find outdoors. Be sure to bring your creativity and imagination!

### Green & Gold

Tuesday  
March 17

We're celebrating St. Paddy's Day with Green & Gold. Wear your green for good luck and join us on a gold rush adventure. Team up to set leprechaun traps and follow a rainbow of riddles to the pot o' gold at the end!

### Kitchen Science

Wednesday  
March 18

We're cooking up fun with Kitchen Science. Help conduct several food-based science experiments, make a plant-based snack, and plant a kitchen herb garden to take home.

### Spring Equinox

Thursday  
March 19

We're celebrating the official arrival of the Spring Season on the Spring Equinox. Get a head start on the season with us as we color eggs with plant dyes, sow grass seeds in decorated planters, and take home a Signs of Spring journal to keep records on the season's developments.

### Mud Kitchen

Friday  
March 20

For the play-bakers and fun-makers! This messy cook-off is filled with sloppy sensory play opportunities! We'll finish the day off with a delicious "muddy" treat. Weather permitting, this program will be almost entirely outdoors. Dress for the weather and plan to get dirty! .
