The Camp Fire Club program is a place where all youth (4 years- 17 years) can build self-esteem, make new friends, and learn outdoor and life skills. Camp Fire Club members have opportunities to build relationships within their group while discovering their own Sparks and uniqueness! Leaders are adult volunteers who are trained to give your child an experience they'll look back on for a lifetime. Camp Fire Club programs are designed to follow a progression of age appropriate activities that build as your youth continues to grow.
