***J-Hawk Soccer Club Mission Statement** - The J-Hawk Soccer Club exists to provide a low-cost, volunteer led and volunteer coached soccer experience to youth, where players learn the importance of citizenship, teamwork, positive attitude, effort, fundamentals, and sportsmanship, in a safe and welcoming environment.*

THE LOWEST OVERALL FEES IN DES MOINES!!! Youngest age groups are less than half the cost of other Urbandale clubs!!! The J-Hawk Soccer Club is able to offer the following fees for the spring 2019 season: **4U (\$25** – five games/training sessions), **5U-6U (\$30** – six games), **7U/8U (\$40** – eight games), **9U/10U (\$50** – seven to eight games), **11U/12U (\$60** – seven games), **13U/14U (\$65** – seven games), and **15U/16U (\$70** – seven games). There is an additional \$10 late fee **after Friday, January 18.** **Compare fees with other clubs in the area!**

AGE GROUPS – PLEASE READ!!!! Due to United States Soccer Federation guidance, age groups are determined by birth year. This means that many children who may be in the same grade in school may be in two different age groups now. Please double-check the birth year and corresponding age group on the other side of this form.

VOLUNTEERS!!! J-Hawk SC always needs more volunteers. Few things are more rewarding than helping for children to enjoy the sport of soccer. You do not need to have a background in soccer to help the club. We need your help!!!

PLEASE REGISTER ONLINE IF POSSIBLE! – While you may still mail in your registration form, the J-Hawk Soccer Club prefers online registration, as it greatly eases the burden on our volunteer registrar and leads to fewer mistakes in capturing email addresses. You may register online through a link on our website – www.jhawksoccerclub.com. Thanks!

The J-Hawk Soccer Club is open to all children, regardless of their city of residence or school of attendance!

History and Club Update – Starting with two tournament teams and 26 players in spring 2011, the J-Hawk Soccer Club (an all-volunteer, non-school sponsored, IRS chapter 501(c)(3) charitable organization) has grown quickly, and had 600 unique players in the fall and spring seasons combined this past year. The club is proud of the work it has done to provide an affordable, character- and volunteer-focused soccer club for children in the area. While team placement may not be guaranteed, parents have the option of requesting a coach. We attempt to satisfy requests whenever possible. The club otherwise forms teams based on neighborhood and school of attendance, unless a team is short of players.
