On the day she was born you promised her the world.

Will she be a doctor, a teacher, or a chemical engineer?
Will she stand up for what is right?
Will she be confident to go for her dreams?
Will she help those in need?

Through Girl Scouts she will learn that anything is possible, how to be a good friend and to believe in herself. That being dedicated will make her dreams come true. And with courage and imagination the world can be her playground.

Girl Scouts is open to every girl in kindergarten through twelfth grade and is a wonderful way for you to learn, grow and have a lot of fun with your daughter.

For more information about starting a troop in your area contact us at www.girlscoutsiowa.org or 800-342-8389.
