

# SAFE KIDS DAY

## Join us for Safe Kids Day!

Your child will learn all about staying safe at home and on the go!

Bring your child's bike to participate in the bike rodeo where he or she will learn how to be a safe rider. Don't forget their helmet and be sure to stop by our fitting station to have it checked. If your child needs a new helmet or their old one doesn't fit, we will size him or her for a new one! *(Free to the first 100 children).*

Children can also tour the Fire Safety House where they will learn about home fire escape plans, crawling under smoke and calling 911. West Des Moines Emergency Medical Services personnel will be on site to interact with children and provide tours of their vehicles.

Stop by for these activities and more!
