YOUTH BASEBALL CLINICS WAUKEE FAMILY YMCA

Our Y believes in nurturing healthy lifestyles and skills of our youth. Our Youth Baseball Clinics are a great way for your child to explore a new sport, increase self-confidence, and work on the fundamentals of the game within a positive atmosphere. We will work on various baseball skills during the 4 week clinic including, hitting, fielding, pitching, and base running. Our coaches will work with each participant to make sure everyone is learning the fundamentals of the game and having fun! We will incorporate the core values of the YMCA into the clinics to help your child grow as a player and person!

Each player should bring their own glove and water bottle. The YMCA will have a few extra gloves available each week.
