FOR KIDS

**STORYTIMES AND RISE & SHINE RESUME ON JAN 7.
NO MORNING STORYTIMES ON JAN. 15TH
(JAN. 15TH EVENING STORYTIME AS USUAL)**

Winter Crafternoon, Jan. 2, 2:00-4:00 PM. Drop in and make some fun winter crafts. We will have directions and supplies, and you can work at your own pace to make one, two, or all three. Activities are self-led, while supplies last. For ages 4-12, siblings welcome.

***Junior Illustrators, Jan, 17, 10:00 AM.** Children ages 3-7 will explore the work of illustrators both familiar and new. We'll share a short story, a lesson, and step-by-step art activity. This month, we'll explore the interactive books of Herve Tullet. Adults should plan on attending and assisting their child. For ages 3-7, siblings welcome.

***CultureALL Experiences, Jan. 18, 4:30 PM.** Explore another culture and learn something new! This month we'll share "A Cup of Bosnian Hospitality" with Zeljka Krvavica. For ages 6-17, siblings welcome.

***Day of Dough, Jan. 19, 11:00 AM.** Stop by for sensory fun and create your own dough to take home. From fake snow to play dough, we've got fun for every kid! For ages 3-12, siblings welcome.

***Crazy 8s Math Club, Tuesdays, Jan. 22 - March 5, 4:30 PM.** An after-school math club for 1st and 2nd graders. Lessons build on each other, so please plan on attending the majority of events. This is season 3 of Crazy 8s. New and returning students are welcome! Children under 10 must be accompanied by an adult.

***Poké-palooza, Jan. 24, 6:00 PM.** Calling all trainers! Hone your skills and test your knowledge of Pokémon as you work through our challenges. We'll have games, crafts, and poké-fun! For ages 6-17.

***STEAM Station, Jan. 28, 6:00 PM.** Bring your curious preschoolers to STEAM Station where they can explore the world of science, technology, engineering, art, and math! This month we'll be exploring space! For ages 2-7, siblings welcome, Plan on attending and participating with your child.

***Junior Scientists, Jan. 31. 10:00 AM.** Children ages 3-7 and their adults will get hands-on with a 30-minute lesson about scientific topics. This month, we'll learn what an experiment is and conduct an experiment together.

* Please register online or by calling 515-278-3945.

FOR TWEENS & TEENS

***Teen Soldering, Jan. 3 , 4:00 PM.** Interested in electronics and want to get hands on with molten metal? Learn soldering for beginners while you make a project you can take home. Practice basic skills you can use for electronics, robotics, coding, crafting, and other DIY projects. (*Because we'll be using very hot tools, teens must have a signed permission slip to participate. More details available at registration.*) For ages 12-17 only.

***Teen Microwave Mug Meals, Jan. 30, 5:30 PM.** Make a multi-course microwave mug meal while learning quick, easy cooking techniques. For ages 12-17 only. If you have dietary restrictions, allergies, or other questions or concerns please contact jestolz@urbandale.org for more information.
