All students who are planning to participate in a spring sport must take the ImPACT test if you have not done so already this school year. Testing sessions will be held right after school in Room 235 (Henkenius) on the following days: February 23rd. Any questions - please see your coach or Activities staff member.

Students from our sister school in Lindenberg, Germany, will be visiting us in October for three weeks. If you are interested in hosting, please see Frau Lubbers in room 211 for more information. Students do NOT have to be enrolled in German in order to host!

All ESL students, including waived students, with last names beginning with N-Z, must be in the library/Media Center on Thursday, February 23, 9:20 AM.

Students be sure to have your ID's out and ready when entering the building after 8:00 - you will need to show them at the door.

All seniors be sure to stop by the Herff Jones table to pick up your graduation announcements in the commons today.

Have a great day!
