

CERTIFICATION OF EXEMPTION FROM MASK REQUIREMENTS

At this time Urbandale Community Schools (“District”) is taking reasonable measures to prevent the spread of COVID-19 infection in accordance with applicable state and federal guidance, including requiring the use of a (2-ply) face covering or mask (“Mask”) in settings specified by the District (“Mask Requirement”).

By signing this Certification of Exemption, you represent and attest that you or your child is eligible for exemption from the District’s Mask Requirement as set forth below:

_____ (Name) _____ (Date of Birth)

For Medical Exemption:

_____ (Name) qualifies because, in the opinion of an Iowa licensed physician (MD or DO), nurse practitioner, or physician assistant, such requirements are medically contraindicated as Masks would be injurious to the health and well-being of the person. The District may ask for additional medical documentation to verify the person’s health condition and its impact on the Mask Requirement as well as to assess possible modifications to such requirements.

By signing this Certification of Exemption from the District’s Mask Requirement, you further acknowledge and understand that failure to use Masks may increase the risk to yourself or your child, or others, of contracting, carrying, and spreading COVID-19 infection. Alternatives to Masks may be implemented as a reasonable accommodation. A person granted a medical or religious exemption may be excluded from school and school activities during a COVID-19 infection outbreak. **Please return this completed form to your School Nurse.**

By signing this Certification of Exemption from the District’s Mask Requirement, you further acknowledge and understand that failure to use Masks may increase the risk to yourself or your child, or others, of contracting, carrying, and spreading COVID-19 infection. I certify under penalty of perjury and pursuant to the laws of the State of Iowa that the preceding is true and correct. A religious exemption is valid only when notarized.
