Invited**

**September 12, 2016  
5:00 p.m.–6:00 p.m.  
Karen Acres  
3500 74th Street  
Urbandale, IA 50322**

## **Karen Acres Elementary**

At Karen Acres Elementary, we pride ourselves in providing a caring, respectful environment that promotes learning and character. We actively build a culture of learning and community where all feel welcome.

Please join us for a ribbon cutting as we celebrate the completion of our new construction and remodel. We reconfigured the building to improve safety and security, remodeled classrooms to better support learning, and added a new gymnasium—all to be enjoyed now and for years to come.
