and guardians are
welcome to attend
this free event!

Fentanyl is a deadly synthetic opioid that is 50 times stronger than heroin and 100 times stronger than morphine. Learn about counterfeit pills, warning signs, NARCAN, and how social media is impacting distribution. Gain an understanding of Des Moines metro area statistics on seizures of fentanyl, drug cases, and overdoses.

Community Forum presenters include U.S. Department of Justice Assistant Attorneys Mallory Weiser and MacKenzie Tubbs.
