## Heartland Youth Choir invites you to open rehearsal nights!

**Open rehearsal is a fun opportunity to sing with HYC and experience the choir!**

### ABOUT US

Heartland Youth Choir (HYC) provides a performance-based program for youth that emphasizes musical literacy and character development. HYC provides a unique opportunity for children of diverse backgrounds with a particular aptitude in vocal music to explore that interest beyond their school setting. Quality literature from all styles and periods form the foundation for this exploration.
