

Kindermusik

Kindermusik is a German phrase that translates to "children's music". The program aims to help children learn and grow through music-making during the years when their brains are most critical for development. Children will explore music through instruments, movement, singing, and play.

"This is not an Urbandale Community School District publication. The District neither endorses nor sponsors this organization or activity represented in this material. It is being distributed through the school district as a courtesy to inform families of community activities and events."
